Welcome

Welcome to The Deli Social.
We're glad you're here.

What started as a love of food, wine, coffee, and bringing people together has grown into the space you're sitting in today

Everything we serve is guided by a simple approach - thoughtful ingredients, prepared with care, and shared around the table.

We work closely with local farmers, winemakers, bakers, cheesemakers, and producers whose products we enjoy and are proud to serve.

From our deli counter and bakery to the dishes coming out of our kitchen, every item has been chosen for a reason.

Our kitchen is small and our food is prepared fresh to order. Because of this, we are not always able to accommodate substitutions or special requests. Each dish has been carefully considered and is intended to be enjoyed as it appears on the menu.

Thank you for choosing to spend part of your day with us. Sharing a table, a meal, and a conversation is at the heart of what we do, and we're grateful to be a small part of those moments. We hope you settle in, stay a while, and enjoy your time at our table.
